

# 2011 Career & Employment Expo

March 8, 2011 1:30 pm – 6:30 pm

Washington County Fairgrounds

*A Great Place for Employers & Employees to Meet!*

*"Meeting jobseekers face to face is far more valuable than what you read on a sheet of paper or your computer screen. In a few minutes of talking with prospective candidates we could tell who really knew sales and customer service. It cut our interview and hiring time in half,"*

*– Jeff Jones, General Manager, Hometown Publications.*
