"I've sent my family and friends there and everyone was extremely pleased." - Wille, Milw.

"They do an above average job and several of our friends and family take their vehicles there now. We will use Weigman's as long as we have vehicles." - Sheri, Menomonee Falls

"Their staff let me know what services were needed and what could wait. They even found a problem was related to an accident over a year previous and dealt with my insurance company for me." - Kate, Milw.

We are a Premium Quality Repair Facility and not a "patch it up" shop.
