The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys and distribute those toys as Christmas gifts to needy children within communities. They try to deliver the message of hope to needy youngsters that will motivate them to grow into responsible, productive, patriotic citizens and community leaders. Toys for Tots helps needy children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable natural resources - our children; to unite all members of local communities in a common cause for toy collection and distribution campaign; and to contribute to better communities in the future.
