"I've been a customer for over 20 years I find the honesty, integrity and workmanship to be outstanding. I have recommended them to many friends and family." - Name Withheld

"I came in to have my car repaired. After it was looked over, you told me not to fix it due to some very expensive problems. Most shops would have just taken my money and ran. Thanks!" - Yolanda, Milwaukee

"You guys came highly recommended to me and now I know why. My car was fixed fast and right the first time as promised. As a woman, I was very happy with the way everything was explained and told to me in terms I could understand." - Cindy, Milwaukee

We are a Premium Quality Repair Facility and not a "patch it up" shop.
