"They are experts. If I ever have a problem, they take care of it immediately. Prices are honest. That's why I keep coming back. I've had three different vehicles but only one mechanic."

- Name Withheld

"Honest repairs done correctly with correct parts & a willingness to work with a person's budget. I also appreciate the knowledge that comes from the many years of experience in the auto business."

-Ken Keifert, Milw.

"I can trust them to complete every job right the first time, at a reasonable price and only with my approval first. I like it better than any dealership"

-Lynn Strackbein, Milw.
