AT&T also imposes monthly a Regulatory Cost Recovery Charge of up to \$1.25 to help defray costs incurred in complying with State and Federal telecom regulation; State and Federal Universal Service charges; and surcharges for customer-based and revenue-based state and local assessments on AT&T. These are not taxes or government required charges.

Limited-time offer. Other conditions and restrictions apply. See contract and rate plan brochure for details. Subscriber must live and have a mailing address within AT&T's owned wireless network coverage area. Up to \$36 activation fee applies. Equipment price and availability may vary by market and may not be available from independent retailers. Early Termination Fee: None if cancelled in the first 30 days; thereafter \$175. Some agents impose additional fees. Unlimited voice services: Unlimited voice services are provided solely for live dialog between two individuals. Offnet Usage: If your minutes of use (including unlimited services) on other carrier's networks ("offnet usage") during any two consecutive month exceeds your offnet usage allowance, AT&T may at its option terminate your service, deny your continued use of other carriers' coverage, or change your plan to one imposing usage charges for offnet usage. Your offnet usage allowance is equal to the lesser of 750 minutes or 40% of the Anytime minutes included with your plan (data offnet usage allowance is the lesser of 6 megabytes or 20% of the kilobytes include with your plan).
