

WEB PRINTING

**Planning a complex,
massive print job?**

**Don't worry...
let us quote a price
on our web press!**

Express News is more than ready for your large-run press job with its fast and efficient web press. Ideal for such jobs as newspapers, catalogs, booklets and magazines, your job will be completed affordably, quickly and to your high specifications. Combining our web and sheet-fed press capabilities gives you the flexibility needed when planning an important, large-scale print project. Black and white, four-color or spot-color, our press will handle the job. And be sure to ask about folding, cutting, binding, stitching and distribution – it is all part of the job. Call, e-mail or fax us today with your ideas. We will make it happen!

Our e-mail address is printing@discoverhometown.com
